## January 13, 2018

### 10:45 AM

## Welcome

A pastors wife, mother of three, get's picked up for prostitution. It's the headlines that our bad-news-hungry media would eat up and spit out as far and as wide as possible. Talk shows would take it on, people would post and tweet the story and their commentary. And it doesn't matter which side the pastor's personal convictions align him with in the church, the blogs and social media representing that opposing side would light up with, at times, the nauseating attacks. It would be the conversation of many. What would happen next would have many guessing but few probably would have gotten it right. This week our journey through the minor prophets of the Bible starts with Hosea. Welcome to Campion.

## Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
