Let's Bless Our Community and School

Thank you for helping us reach our budget goal for December of \$42,000, that gives a strong finish to the budgeting year. This year the December goal of \$42,000 has been set to surprising Adventist Community Center and House of Neighborly Service with an unexpected gift and accomplishing a significant item on the HMS Wish List.

OUR MISSION

The Campion Church is a part of the Seventh-day Adventist movement seeking to

Know Jesus as our Friend and Savior
Grow a Caring Community
Share the Everlasting Gospel

WELCOME

When an entire village in central Wales lost its internet connection in 2019, it caught the attention of the community, but when the interruption continued each day at the same time for 18 months it warranted a special investigation from Openreach – a local service provider. Over the course of several weeks, a band of engineers swept through Aberhosan in an effort to locate the source of interference – which was eventually traced to a small home. Soon after they discovered that each day at 7am the homeowner would switch on their old television which would in turn knock out broadband for the entire village. Seems silly, right? But it begs the question... If something as benign as an old box set TV can have such a large impact, what does it take to disrupt our connection with God? Welcome to Campion.

Daniel Journals. Next week, January 9, we start a sermon series moving through the book of Daniel. As a study guide, we have ordered Daniel Journals that include the Biblical text, commentary, and note pages to follow along in your studies. We want each individual to have one, so please take one next Sabbath if you would find it helpful. If you are able to contribute, the cost was \$7.50/each and if you are able to cover someone else's, that would be very kind. Just identify your donation on a tithe envelope or give online to Daniel/Revelation book on front page.
