Welcome

"If you release your emails, I will release my tax returns" (D. Trump) will be a memorable line from the first presidential debate of the fall political season. The debate between the two nominees broke records with 84 million viewers. But doesn't Trump's challenge speak the truth? You have your issues and I have my issues - we all have issues (the question some have raised is whose issues we want to put up with). But beyond the presidential hopefuls, we all have issues that we wish the world didn't know. We have been personally impacted by the attacks of Satan and the great controversy... and now we've all got issues. This week we find out the book of Revelation has a word or two to say about this and it ends better than we can imagine. Welcome to Campion.

Our Mission
