# WELCOME

Conventional Christian spirituality has a list of common Do's and Don'ts. *Do* pray often to have a thriving spiritual life. *Do* go to church every week to be a good Christian. *Do* worship in a certain way to honor God. *Do* read the Bible every day for *x*-amount of time. *Don't* use certain instruments in worship. *Don't* sing certain songs. *Don't* talk about certain topics. *Don't* broadcast your imperfection. Some of these vary in importance depending on where we are. Dos and Don'ts are important as a rock-like foundation, but spirituality is a *living* complex thing. *You* are a complex thing. If your spirituality looks just like a blueprint you've been given, it's not yours. If your relationship with God is only based on a model you've been taught, it's not yours. Relationships are meant to be unique. Let us strive to have a vibrant personal and unrepeatabe relationship with God! Welcome to Campion.
