# WELCOME

This past weekend will not be forgotten by three eager fishermen in the Gulf of Mexico, some 25 miles off the coast of Empire, Louisiana. They were reported missing, and the search began. They were rescued on Sunday afternoon by the US Coast Guard, all three alive, but fending off the circling sharks. Their boat had sunk around 10 am on Saturday and they had spent over 24 hours treading water and guarding each other from sharks. They must have felt hopeless and helpless as the dorsal fins of hungry sharks appeared and the darkness of night closed in. The reality was nothing but a vast ocean in 360 degrees. Only in their minds was there a warm home, food, and a loving family. But then Sunday afternoon came the sound of help. The US Coast Guard teams who had been searching the area the size of Rhode Island, made possible what had only been in their minds. Helpless and hopeless no longer, all three are doing just fine. There is help and hope for the three fishermen, and for you. That's the message of the book of Revelation. [Welcome to the Unveiling.](#)
