Welcome

Nobody likes a thief. Here in Colorado when you get caught for a petty offense (less than \$50 value) you could get up to 6 months in jail and up to \$500 fine. But there are a few places on the planet that have been reported to take your hands off or even others who if you steal the right thing (more like the wrong thing, like a national artifact) you could be facing capital punishment. Moral of the story, don't steal. But is that the moral of the 8th Commandment? To that question we go this week in our teaching series, *The lawGIVER* (pt. 8). Welcome to Campion.

Our Mission
