Welcome

“Hate to break it to you, but you’re not the nation’s newest millionaire...” began the CNN article. Loveland’s own Reporter-Herald newspaper reporter spent time this last week interviewing the masses that passed through the mini-marts with hopes and dreams of getting the right numbers. But lucky wasn’t in Loveland. Thousands and thousands across the country dreamed, buying lottery tickets while wearing their lucky socks, but the one winner of the \$1.537 billion jackpot is in South Carolina. Everyone knows that everyone can’t be a winner. But what if that just isn’t true!? What if everyone actually can be a winner? Not just in the polite-school-yard-game kind of way, but actually a billion-dollar winner. We find out in this week’s teaching. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.

The Appearing, November 8-10. The ancients predicted it. Millions of people can't stop talking about it. And even though global unrest and natural disasters indicate it will happen soon, few agree on exactly how or when it will happen. Is it possible that many people are making a mistake about the Appearing—an event mentioned more than 2,500 times in the Bible? Don't miss *The Appearing*, hosted by Voice of Prophecy Speaker/Director Shawn Boonstra and pastor Nestor in our Fellowship Hall.

Anointing Service next week: The pastors and elders will be leading out in an anointing service next Sabbath. If you would like to be anointed (an act of surrender and prayer) because of an attack on your life (physical, emotional, or spiritual), you can remain in or return to the sanctuary following the closing of the worship service.
