## Welcome

The ticket was bought at a Shell gas station in Three Rivers, Michigan, but as of Thursday of this past week they don't know who the owner was. Powerball winner this week is to receive \$310.5 million- this is the largest single prize this year in a US lottery, "lottery" being the operative word. Your chance to win a significant part of the money is 1 in 175,223,516. In Job 41:11, God declares that "Everything under heaven is Mine." If we buy the ticket of living radically by keeping our eyes on Jesus the chances that we win the "jackpot" is 175,223,516 in 175,223,516. Buy your ticket today. Welcome to Campion Church.

## Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
