Leadership List

November 10, 2018
10:45 AM

Welcome

Well, who did you vote for? Did they win? Most will admit why some get elected just doesn't make sense. But could it be that behind the headlines, God is making greater headlines and is accomplishing His election through red or blue. Paul indicates in Romans 13:1 that he sees God's hand in whoever lands the in positions of civil leadership. Far behind the headlines of Washington DC or Denver, God is advancing His purple (royal) kingdom. The story of Jesus is going to the world and this week we celebrate that with Adventist World Radio. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.

The Appearing. November 8-10 at 6:30pm.

The ancients predicted it. Millions of people can't stop talking about it. And even though global unrest and natural disasters indicate it will happen soon, few agree on exactly how or when it will happen. Is it possible that many people are making a mistake about the Appearing—an event mentioned more than 2,500 times in the Bible? Don't miss *The Appearing*, hosted by Voice of Prophecy Speaker/Director Shawn Boonstra and pastor Nestor in our Fellowship Hall.

Adult Sabbath School - We are excited to announce that we will be launching a Spanish speaking SS class in 2019. If you or someone you know would be interested in joining or leading a class, please contact Pastor Morss.
