Welcome

When Levi and Noah were born I was like a little boy on Christmas morning, every morning! I would wake up every time with Anna because I wanted to soak them up and literally just look at them. I desired being with them all the time! Mark 1:35 says Jesus would wake up early in the morning and speak with God. It must have been hard to do, but the love Jesus had for the Father woke Him up to do this. Try this for a few weeks, and watch God transform you into His image. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
