WELCOME

Are you feeling guilty? Doctor Ram Mahato, M.D., medical director for the Center for Behavioral Health at Hackensack Meridian JFK Medical Center, agrees with a growing number of researchers that there are different types of guilt people may feel because of the pandemic. One of the primary reasons concluded is that when you can't be close to people you love and enjoy, it causes guilt. What a demonic plan - separate people and then give mental and emotional stress because of it. It's a double win for hell. So what might be heaven's response? That would be our theme this week. Welcome to Campion..

Thanksgiving Baskets

❖ If you know of a family that could use a Thanksgiving box of food, give the name to the church office.

❖ Names for baskets are needed by Wednesday, Nov 18.

❖ The baskets will be ready to give out on Sabbath, November 21.
