Welcome

Someone said it [while not original with, Ronnie Daniels used it for the title of his book], Grace means **God's Riches At Christ's Expense**. It is impossible, that one would be over exaggerate the importance of grace to the human race, thus it is also impossible for one to be too thankful for God's expensive gift. What more, that grace impacts every aspect of our lives. This week, in thankfulness of grace, we will reflect on 5 practical areas it impacts. Welcome to Campion.
