# WELCOME

The mark of the beast, the 7 last plagues, the fall of Babylon, and the beasts coming by land and by sea, and it doesn't take a theologian versed in Greek to realize something serious is happening in the 2<sup>nd</sup> half of Revelation. Serious. But serious doesn't have to be scary. After all, we must remind ourselves that there was a blessing guaranteed to those who read and who hear the words of this unveiling of Jesus. So, with that blessed assurance ringing in our ears, let's keep going and find out the serious (but not scary) prophetic words. You won't regret it. [Welcome to the Unveiling.](#)

Round Table Conversations will help us conclude our series on Revelation on November 16 - 19 at 7:00 pm. The Round Table on Saturday will be right after the concert by Jaime Jorge. Here's a chance to talk with a coach and others about what we have learned and ask questions. Refreshments will be provided.
