WELCOME

You’ve heard the phrase, “in the nick of time,” right? I’m guessing you’ve even used it a time or two. “In the nick” is that exact instant at which something has to take place. The idea is that a “nick” is a narrow and precise marker, so that if something is “in the nick,” it is exactly where it should be. From the dramatic opener, “O Come, O Come, Emmanuel” to the thrilling conclusion in, “The Coming of the King,” this cantata illustrates and celebrates God’s perfect timing. His perfect timing on the world stage, and His perfect timing for your life. [Welcome to Campion.](#)
