Campion Church Budget giving in December is \$38,000 (average) that gives a strong finish to the budgeting year. This year the December goal of \$42,000 has been set, to use the additional monies divided between surprising a community charity organization with an unexpected gift and accomplishing a significant item on the HMS Wish List (don't tell our teachers).

WELCOME

Currently in the United States there are approximately 665,500 employed counselors, each one giving their ears and helpful questions to coach us through difficult situations, or recovery from tragedy. Then of course there are teachers with their students, healthcare workers, pastors, parents, friends sharing counsel in their official and unofficial capacities. A tremendous thanks goes to those who pour their lives and energy into the life of another. They. Are. Like. Jesus. Welcome to Campion.

Christmas Choral Concert. December 19 at 9:00 am and 11:30 am. Enjoy traditional carols with the best of today's contemporary Christian seasonal selections sung by a small choir from Campion Church. Join us online (campion.church) or in person.
