Welcome

"I want to know God, really know that He is real" is a cry that has been uttered by more than one heart. And it is a cry heard by God every time. But to make matters difficult on our end God declares, *For as high as the heavens are above the earth, so are my ways higher than your ways and my thoughts than your thoughts. (Isaiah 55:9)* How far is that distance? It only takes 13.8 billion years for light from the farthest reaches of space to arrive at the earth. Surveys are revealing a growing number of individuals that refer to themselves as the "nones" or ones that have no belief system. But maybe it is less about the absence of God than it is His size. Together this December we do our best to meet this God. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
