WELCOME

We're just a handful of hours away from the end of 2022 and the arrival of a new year. How are you going to spend these final moments? Some people might use this as an opportunity to reflect on what has been accomplished over this past year and assessing their progress toward their goals. Others will start preparing for 2023, perhaps even getting a jump start on their upcoming resolutions. Now replace the end of this year & the arrival of the new year with the end of time & the arrival of Jesus. We're a step closer to the promised Second Coming; how are you going to spend these final moments? Are you reflecting on how God has led you thus far, or perhaps getting a jump start on "Kingdom living"? We're glad that you've chosen to spend these precious moments worshipping with us as we all prepare for that great final countdown. [Welcome to Campion.](#)
