# WELCOME

Welcome: Earlier this month, while on routine patrol in the Bahamas, the U.S. Coast Guard spotted what looked like little white flags waving on an uninhabited island. After a closer look, the Coast Guard identified people signaling them, and they dropped emergency supplies and a radio. The next day they were able to coordinate a rescue of the three individuals. The story of the three castaways was that they had set sail from Cuba, capsized their boat, and were washed up on this rocky little spot in the middle of the ocean. For thirty-three long days they had survived only by making use of the coconuts and rats. What relief they must have felt when that Coast Guard helicopter turned toward their paradise prison! I can't but think of another rescue coming to this planet. The book of Daniel talks about the tough days ahead, but they will not have the final word for us. There is a rescue coming! Welcome to Campion.

West Central Young Adults PRESENTS

# AWAKEN

Youth and Young Adult Conference

*What does it really mean to be awake?  
How can we live a life that will awaken others?*

The Awaken Conference will be held March 19-21, at Campion Seventh-Day Adventist church in Loveland, Colorado. This conference is designed to inspire spiritual growth and active involvement as we worship, pray, and attend breakout and keynote presentations. The keynote speaker will be **Dee Casper**, director of CORE evangelism training program.

*"And do this, knowing the time, that now it is high time to **awake** out of sleep; for now our salvation is nearer than when we first believed."  
– Romans 13:11*
