## February 3, 2018

### 10:45 AM

## Campion Seventh-day Adventist Church

## Welcome

As far as American history goes, there isn't a more known quarrel between two families than the Hatfields of West Virginia and the McCoys of Kentucky. The conflict on the banks of the Big Sandy River was deadly serious, dozens of lives during the years of tension. No one is certain how it all started between the two families; however, since both were involved in illegal moonshine, that seems like a possible starting point. Family feuds between and within families go back as far as history, one of them between twin brothers. The short book of Obadiah gives us a glimpse into their feud and is where the teaching comes from this week. Welcome to Campion.

## Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
