NEWS & OPPORTUNITIES

10:45

In the closing days of 2022, speaker and author Dwain Esmond shared a direct appeal from his heart to pastors around the globe in an article titled *Back to the Altar*. The need, he says, is *the broken worship altar ... [it] Represents the single greatest threat to [Christian] life and purpose... People who lack a consistent devotional walk with God cannot know Him, love Him, or effectively share Him with others.* And the needed response, Esmond's appeal, is that *the restoration of personal and family worship among [Christians] is the most pressing need of our time...* This February we will hear the call from sacred scripture to return to what was known in the Old Testament as the altar. What could be the potential for your journey with Jesus if you were to join a 28-day challenge of spending personal time (or increasing time), daily family time, and community worship time (joining a Sabbath School class or attending worship each week)? From February 5 - March 4 our Friend and Savior invites you to meet Him at the altar.

Stressed. Tired. Broken.

The past few years have not been good to our physical, emotional, mental, or spiritual health. We're feeling further apart from our neighbors, further apart from our families, and even further away from our personal goals than ever. 2023 is the year that changes.

Campion Church is offering opportunities to reverse the damage that sin is causing on our relationships, to break the chains of addiction, and to turn things around. This is the year that we want to GROW together.

We already have groups forming to help men overcome struggles, to help families take back control of their chaotic lives, and to help people looking for a deeper walk with God encounter Him through His Word.

Are you interested in GROWing this year? We're looking for group leaders and group attendees. If this appeals to you, fill out the form below. The new semester starts the week of February 12 and runs until Easter.
