# WELCOME

Let your heart on these numbers:  
Of the 235 countries in the world recognized by the United Nations, the Seventh-day Adventist Church is established in 212 of them. That represents over 535 different languages that includes 21,912,161 members. Those members are in 95,297 churches and 72,975 companies (groups not yet organized as churches). Throughout the world there are 9,419 schools with 2,023,844 students enrolled. In healthcare, there are 229 hospitals and sanitariums, 129 nursing homes, 128 dental clinics, and 1,475 clinics. It doesn't stop there with 18 media centers, and 57 publishing houses. The growth of the church around the world means that every hour 133 members are added, and every four (4) hours a church is formed. **Campion Church serves as one little corner of a family of believers wrapped around the globe, each waiting for and sharing the hope of Jesus coming again. Welcome to Campion.**
