WELCOME

One day a rich young man came to Jesus and asked, "Righteous Master, what good things should I do to make sure I get to heaven?" Jesus said, "Why do you ask me what to do to get to heaven? God is the only One who can answer that question, but I'll answer you. If you want to get to heaven, keep the commandments." The rich young man asked, "Which ones?" Jesus answered, "the Ten Commandments, the ones which tell you not to murder, commit adultery, steal or lie, and that tell you to respect your parents and care about your neighbor as you do yourself." The young man said, "I've kept these commandments all my life, yet something seems to be missing, What do you think it is?"

Jesus looked at him with great compassion and said, "If you want to be in heaven, look into your own heart to see what is there. Earthly riches are absorbing the time you need to spend in meditation and prayer. Sell the things you have, give the money to those who are poor and then come and follow me. That will show you where your heart really is. Do you think you can do that?" The young man thought for a minute, knowing that if he answered Yes, Jesus would expect him to follow through with it. So he didn't answer the question, but turned around and walked away, because he was very rich. Matthew 19:16-22 The Clear Word Welcome to Campion.
