# WELCOME

This Sunday marks the first (official) day of Spring! While many from our campus are celebrating its arrival with a much-needed Spring Break, others might be heading into Spring Cleaning mode. It's a great opportunity to assess what you really need, and what you really don't. Spring Cleaning shouldn't just look at physical possessions, such as clothes that you don't wear and DVDs that you don't watch; Spring is also a perfect time to clean out your heart and mind of useless clutter that holds you back from being the person that you were made to be. Ask God to purge you of that addiction, to strengthen you as you use that extra hour of daylight to connect with Him, and much more. If you're looking for help on how to clean out the world from your mind & put Jesus front and center in your heart, you've come to the right place. Welcome to Campion.
