WELCOME

On a quest to learn the reasons for success of the world's fastest distance runners, journalist Adharanand Finn uprooted his wife and three children to live in the high-altitude hamlet of Iten, Kenya. Immersing himself in the highly disciplined training regimen of marathon runners, Adharanand discovered some surprising secrets to the competitors' success. As Christians, the prize we seek is much more significant than winning a 26.2-mile race, for its prize is everlasting. Today, let's study together about the prize and the steps God would have us take to win it. **Welcome to Campion.**
