POSTLUDE MELANIE GOETZ

WELCOME

Apparently the news didn't quite make it to goatsville and so members of that species are not following the order. Llandudno, the small coastal town in Wales, has been very quiet. As in other places in the UK, it's residents have been under tight social movement restrictions to help limit the spread of coronavirus. The town has become so quiet that wild goats have moved in and are enjoying the plants and shrubs. The goats aren't asking any questions, probably assuming they deserve the place taken from their ancestors. If you have felt or are feeling alone, you are not alone. While the goats can have the town don't let the devil (the old scape goat) have your heart. Welcome to Campion, ONLINE.

Those in Need: Is There something you are in need of something the church can do for you, groceries or medicines to pick up or something else that we can help you with, please do not hesitate to call the church office. We have people who would be willing to help.

Keep your family church pictures coming. We will post more each week to let people see their church family in church.

Compassion Ministries: The ministry has three ways that you can help:

- Monetary giving to Compassion Ministries to help Family Promise families or House of Neighborly Services give to those in need.
- Feeding the Homeless: We still take food and help serve on two Wednesdays a month. Whether it's fixing food or serving, let the church office know you are able to help.
- Writing cards to the health care staff at area hospitals. We are starting with Avista Hospital. Write generic cards of thanks to health care staff and the church will make sure they get there.
