## WELCOME

It's a great story. Attila Bosnyak is from the Netherlands, and is vacationing in Goa, India. He spots a person in distress in the ocean, and being a strong swimmer, heads out. He also alerts a lifeguard who joins him together in saving Nupur Gupta, a woman who was one of the exercise instructors at the resort. After the rescue there's a moment of celebration and then a long conversation and weeks later, love. Rescuer and rescued have fallen in love. It's a great story. And if you would rearrange the order of events- put the falling in love first, and then the rescue, you would have the story of the gospel. God loved us, and because of that love, He called in a lifeguard to rescue us. That's a great story. It's our story. Welcome to Campion.
