CAMPION SEVENTH-DAY ADVENTIST CHURCH

WELCOME

Got something to say to yourself? The FutureMe app lets you write, schedule and send letters to yourself, friends or family. But here is the catch: You can schedule delivery to be six months or even 10 years in the future (thus the FutureMe title). What would you say to your 10-year future self? What about a letter for your eternity? Could it be that the cross was the future letter of Jesus to Himself? He could have called ten thousand angels to destroy the world and set Him free... but He died alone for you and me (Ray Overholt). For the joy that was set before Him... (Hebrews 12:2). For two Sabbaths, I invite you to bow your heart and hear the crucifixion story through the humble devotional life of this preacher, recognizing that it was Jesus writing a letter for the future, and even for all eternity. **Welcome to Campion.**
