WELCOME

According to an article in Scientific American, the dolphin in sleep can turn off half their brain and close one eye. It is a part awake and part asleep state of being. Sometimes it feels like we are all living in that state. This week young people from our campus are going to, through sharing their testimonies, call us to be alive fully and recognize what God is doing in our own stories. For it really is true, He who began a good work in you, will complete it (Phil 1:6). Welcome to Campion.

Vacation Bible School. We are excited to kick off the summer with 'Kids of Courage'. During the mornings of June 7-11, for ages 4-12! We'll have numerous opportunities for kids to connect with Jesus and develop a faith worth courageously sharing! To register, visit our website, or call the church office. We also need more volunteers for our teams, even if you're only able to commit to a portion of the week."
