WELCOME

A 72-year old Oregon man and his four-legged best friend are recovering after being attacked by a bear this week. The two were out for a hike in some timberland and spotted the bear standing about 20 feet away. The dog approached the bear barking and the bear took on the dog. The man then distracted the bear with shouting and sticks but then became the object of the attack. In the end both survived giving credit that there were two of them. It's always a blessing to have a friend, but what happens when you are called to take on the "bear" by yourself? While it sounds scary, it also is a reality that we often find ourselves in - called to take on a challenge and it seems like we are the only one with the burden. Let's talk about that this week. Welcome to Campion [ONLINE].

Grow Groups: Join us for a refreshing Sabbath walk. Pastor Goetz will lead a group @ 2:30pm at Long Hagler Reservoir. Tom & Renee Cleveland will lead a group at Houts Reservoir and Equilizer Lake. Bring a pair of binoculars to see the osprey's on their nest, cormorants, and various shore birds. To walk with the Cleavelands, meet at 1951 Harvard Place Loveland, CO @ 3:00pm.
