Welcome

If you could be any animal in the world, I'm sure your first pick wouldn't be a snail. But there is a special snail called the limpet that is worth emulating. Limpets live on rocks in the seashore and can be easily knocked around by the crashing waves of the sea. But they are known to cling to rocks with an extremely strong "death grip." Ellen White penned these words, "The strong force of the downward current will sweep you off your feet unless you are united to Christ as the limpet to the rock." Although it took him a while, Peter eventually learned that clinging to Christ is the only way to survive. May we learn this lesson, too. Welcome to Champion.

Our Mission

We serve and glorify God through
Christ-centered worship,
individual spiritual growth,
youth involvement,
and
community interaction.

Appreciation for VBX: Many of us can trace our picture of Jesus back to a Vacation Bible School experience. This summer has been no different and some 50 volunteers have helped create an experience where a picture of Jesus was seen. Each of our volunteers have made this last week possible and even more made an eternal impact on a young heart. Thank you to our team:
