Weekend focus on Mission and Worship in Northeast Colorado

This weekend is an opportunity for our community of churches in NE Colorado to come together in worship and focus on the mission of Jesus. The offerings collected, while a portion will cover the expenses of the weekend, are invested in evangelism, especially youth evangelism in Northern Colorado. Using the tithe envelope in the program, you can mark your offering with "Connect", and you can include your home church and any tithes will be sent there.
