**Know** Jesus as our Friend and Savior  
**Grow** a Caring Community  
**Go** Share the Everlasting Gospel

# WELCOME

Doug Hurley and Bob Behnken, NASA astronauts on the SpaceX rocket and capsule. Someone, making an attempt at humor this last week quipped, they are lucky to be getting off this planet right now. Really, let me just remind you that all the normal problems of hunger, pollution, violence, illness, accidents and plagues, all still exist. They didn't go away, they just got stacked up on with a pandemic, injustice, more violence, and swarms of destructive insects. Is this the best time to get off this planet?! Or could it be, that this is the best time to be here. To say something and to do something that would introduce the planet to Jesus. BTW, He (Jesus) does have a way to get off this planet, He just really wants more than two. Welcome to Campion.

**Discovering Revelation Resumes This June.** As promised, we are resuming our Discovering Revelation seminar in June! Join us **online** on June 10, and 17 at 7:00 pm (at [campion.church](http://campion.church) or our Facebook page). Join us **in person** on June 24-27 at 7:00 pm (at Campion Church).

**VBS:** Join us July 6-10 from 8:30 to 11:30am for a fun-filled adventure through the biblical account of creation!
