# WELCOME

Imagine that you're hired for a new job, you are collecting taxes from your neighbors. You bring those taxes, not to your own king, but an enemy king. The more taxes you collect, the more you notice how the king spends your neighbors money. He buys luxurious food, more trinkets than he could ever use, and golden idols to bring him good fortune. Day after day, for eighteen years, you see your neighbors getting poorer and poorer, while this vile king becomes more and more, well, fat. It's almost as if he ate so much to prove a point, he is the boss, and you are his subject. It didn't take long for your neighbors to resent you, but now you begin to resent yourself. Who will put a stop to this injustice? Can God use you to make a difference? Join us today as we discuss how to put a stop to the "very fat king's" in your life. Judges 3:12-4:1. Welcome to Campion [Here or Online]
