They are known as the Nazarenes and persecuted for their unwavering faith in Jesus Christ as the Messiah and Savior of humanity. Their plight shows us how God's grace and love can reach even the darkest of places. Their stories move us and inspire us to live outwardly and lovingly. Their testimonies challenge us to value our freedom even more and to face our own fears of following the Nazarene who changed the World. Will we learn to live for the One who lives for us? Welcome to this community of followers of the Nazarene. Welcome to Campion.
