Welcome

It's been uneventful around here this last week compared to Cleveland, OH. There has been a collective brow rising this time around for and from both parties. We haven't seen this kind of drama since the Florida recount episode. Wouldn't you like to know what happens on Tuesday, November 8!? And every week after that for the next four years!? You are in company with the disciple Thomas, he couldn't hardly stand not knowing for sure what came next. There are a few lessons we can learn and today he is our disciple of study. Welcome to Champion

Our Mission

We serve and glorify God through
Christ-centered worship,
individual spiritual growth,
youth involvement,
and
community interaction.
