## Welcome

Exactly three score years ago today, in the great or not so great (depending on the political party you side with) country, the United States of America, an official four-word national motto was adopted that still can be read on every piece of US currency - In God We Trust. 60 years later that can be read as a question - In God we trust? At some point and in some way every disciple of Jesus coming out of the gospels had to answer that question. Today we continue with our teaching series on the disciples. And today we will be confronted with the question - In God we trust? Welcome to Campion.

## Our Mission

We serve and glorify God through  
Christ-centered worship,  
individual spiritual growth, youth  
involvement,  
and  
community interaction.
