Welcome

The admissions process for West Point is as rigorous as top universities including Harvard. Only applicants with the highest scores on the SAT and ACT are considered, but when you apply to Harvard, you don't need a letter of recommendation from a member of Congress. What's more, if you are interested in one of the eight Ivy League schools, you don't need superlative marks in a fitness assessment that includes running, push-ups, sit-ups and pull-ups. Of the 14,000 applicants that apply to West Point, only 1200 will be accepted into the program, and one in five cadets will drop out before graduation. Professor and psychologist, Angela Duckworth, identifies "Grit" as the greatest contributing factor to graduating from West Point. But what about life? Or spiritual growth? Is "Grit" enough? Join us as we explore a biblical model for growing in Jesus. Welcome to Campion.

ARISE AND *Build*

"The God of heaven, He will prosper us; therefore we His servants will arise and build." *Nehemiah 2:20 (KJV)*

Matching funds for our building addition. Praise God we have raised \$80,000 in July for our 2 to 1 matching campaign of \$150,000. The extra has helped offset the cost of the fire sprinkler and a couple of unmet commitments. Thank you! Additional commitments and monies will continue to be invested in our current building.
