WELCOME

Four-year old Raudhatul Jannah was swept away from her parents grasp in an Indian tsunami in 2004. Her parents searched day and night for a month with no success and her parents thought she was lost forever. However, Raudhatul's mother never stopped praying that her daughter was safe, and they would be reunited again. Ten years later, in a chance sighting, Raudhatul's uncle spotted her on a visit to another area of the country and recognized her as his lost niece. Raudhatul had been swept away to another island where she was rescued by a fisherman who took her back to the mainland where she lived for the next 10 years. Raudhatul's mom described her emotions when she was reunited with her daughter saying, "My heart beat so fast when I saw her" and she could not stop the "tears from flowing." Thankfully, God had his eye on Raudhatul and had her just where he needed her with a miraculous plan to reunite her with her family. If you feel lost and separated from the Father, know He is waiting to reunite with you and His abundant grace is waiting for you. All you must do is accept His gift of grace. Welcome to Champion!
