WELCOME

According to one headline, the city of Amsterdam is falling apart. Not morally--that arguably happened decades ago--but structurally. Sections of the city were built on water -- well, on wood that is on the water, and that may not have been the best longterm plan. It's said that this concern doesn't come as a surprise. Children in the city have grown up with a verse: "*Amsterdam, die grote stad / Die is gebouwd op palen / Als die stad eens ommeviel / Wie zou dat dan betalen?*" Meaning, "Amsterdam is built on piles. if they collapse, who would pay for it?" It will take a lot of work they admit, but they are going to go at it... to save the city. Our journey to meet God again for the first time, won't be easy either, but it could save a world (including ourselves). Welcome to Champion.

rollercoaster, and COVID has left us all feeling isolated. While we continue to strive for health and safety, our discipleship team is planning an exciting fall semester of grow groups that will help our church find community during these uncertain times. If you would like to lead a group, email your idea to campiongrowgroups@gmail.com or contact Pastor Morss by August 31.
