Welcome

One hundred and fifteen years ago William A. Hankins offered land to establish an educational center that would fulfill what he believed was God's dream of spreading the gospel message at home and abroad. He was right then, and he would be right now. It is God's dream. We are each a little piece of that. This week we welcomed some 230 students to our campus in both of our schools. They are part of God's dream...the one that led Mr. Hankins to give up his land. But they aren't the only ones. We, the community members spread out along this northern front range are included. Our mission statement ends with God's invitation – Know (Jesus). Grow (community). Go (with the gospel). Welcome to Campion.
