Welcome

According to systems theorist Buckminster Fuller, human knowledge doubled approximately every century until 1900, and by the end of World War II, knowledge was doubling every 25 years. In the year 2000, data showed human knowledge doubling every 12 to 13 months. If that doesn't blow your mind (pun intended), IBM now claims that the buildout of the "internet of things" will soon lead to the doubling of knowledge every 12 hours. In a world that is changing at breakneck speed, it can be challenging to find truth. Join us as we seek to know the One who changes not – the Way, the Truth and the Life. Welcome to Campion.

ARISE AND *Build*

"The God of heaven, He will prosper us; therefore we His servants will arise and build." *Nehemiah 2:20 (KJV)*

Matching funds for our building addition. Praise God we have raised \$80,000 in July for our 2 to 1 matching campaign of \$150,000. The extra has helped offset the cost of the fire sprinkler and a couple of unmet commitments. Thank you! Additional commitments and monies will continue to be invested in our current building.

News & Opportunities

Parking & Construction, please excuse the mess as the dirt and concrete are put into place for the addition. The RV park on the west side of the church has been made available for parking (weather permitting). Pray for us for fill dirt so we can pour the slab.

Thank you. Shirley Smith would like to say thank you to the people who helped her move.

- Rose Martinez--for her ankle to heal.
- A church family is unexpectedly and outside of their control come to be in need of food and a vehicle to handle 6 passengers. There is a fund set up in the church to help carry their burden. You can contact a pastor or the church office on how to help, or mark your giving "family in need" or give online to "Offerings for Special Needs Projects."
