# WELCOME

In 1910, President Theodore Roosevelt gave a speech in Paris, France, titled "Citizenship in a Republic." In it, there is a passage that is now widely referred to as "The Man in the Arena," a rousing call to be more than just critics who sit on the sidelines, but to throw yourself in the arena with courage. There's a particular echo of this notion in the story of Deborah, which also contains one of the goriest stories in the Bible. Join us as we uncover the drama of "The Woman in the Arena." Welcome to Champion [in person or Online!]

## Building Schedule & Needs this next week

**Sprinklers and Landscaping:** As we are finishing an incredible project and praising God for all that He has provided in the building addition, we have a priority need for help to finish the landscaping and specifically a few who can help with the sprinkler systems that need to be put in. Please let the church office or pastoral team know if you can help in these areas.
