## September 1, 2018

### 10:45 AM

## Welcome

Colorado (in 1887) was one of 5 states to follow the example of New York City and declare the 1st Monday of September to be a holiday paying tribute to the contributions workers have made to the strength, prosperity, and well-being of our country. The act was passed by congress in 1894 to make it a legal holiday in the country. This week as we reflect on the accomplishments of labor, we turn our attention in our teaching series to the accomplishment of the labor of Jesus written out in the book of Acts. Welcome to Campion.

## Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
