WELCOME

September 11, 2001, and the death of nearly 3,000 people in the attack using commercial airplanes has been a date that draws a line in history. If you were old enough to be cognizant of life, you remember where you were that Tuesday morning. The two words emerging from the wreckage and the stories was the cry *Never Forget*. These two words originated after the holocaust and have been repeated through time as appeals to learn the lessons from the past but then to move forward with courage. In the tragedy of the 9/11 attacks two decades ago, there was a courage that was galvanizing. Then president George W. Bush reflected, - "One of the worst days in America's history saw some of the bravest acts in America's history." To borrow his words, the worst days call for the bravest acts, and in a world of worst days, the great need is to see lives of courage. Let's *Never Forget* - to learn from the past and move forward with courage. Welcome to Champion.

"As the new GROW Group semester approaches, we have a number of groups that need a new leader. Contact Pastor Taylor if you're willing to lead a group."
