WELCOME

In Greek mythology the strongest of gods were Zeus, who ruled the sky, and Hades, who ruled the underworld. Zeus, whose father was "Chronos" (god of time), went on to be considered the father of all that is famous in greek mythology. But whether it was Zeus or Hades, the power of the ancient gods was directly tied to their cunning and deceit. That is, the more cunning, ability to trick or cajole, the more "powerful" they were. So when we talk about an all powerful (omnipotent) God, could that great news actually make us nervous. Like we can't trust him? To this question goes our teaching series this week. Welcome to Campion.

Open enrollment for our fall semester of **grow groups** begins today. If you have never been part of our community of groups here at Campion, you're missing out! Join a group this fall and expect to deepen your walk with Jesus, engage meaningful relationships, and be mobilized for service in our local community.
