Welcome

The exercise motto “no pain, no gain” reminds the one under duress that something strong or beautiful can come from the uncomfortable context they find themselves in. The motto also unequivocally states that there is no other way to get there except through the pain. Could this be the testimony of our life with God? It became the story of a little church recorded in the book of Acts. This week we hear what happened to them. Welcome to Campion

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
