Welcome

Breaking news (that is surely not breaking to anyone): there is hyped up controversy in our nation surrounding the NFL players, coaches, and other personnel who for social justice reasons have refused to stand, and in some cases refused to even come out of the stadium tunnel, for the national anthem. As grandma used to say, it's become a real bee in our bonnet. Here's an update for us – France isn't having the same controversy. Which of course is a no-brainer since French culture and interests have no room for American football. However, there is one controversy that every nation, tongue and people have, and it is a great controversy. This week we take a look at the journey of the reformation in France. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.

Just write their name on the card, place the card in the offering bag, and the church will address and send the card. You can be a blessing today!
