Welcome

Grandpas have become legends with their ability to act like they didn't hear the voice calling from the kitchen. You have seen it, right? You watch grandpa sitting in his easy chair not even flinching an eye lash when he is called from the other room. You are absolutely sure that he heard, but he will never admit it and there is not a single trace of physical evidence. How about your calling on God? In all honesty it feels like He is ignoring you. This week finds us in the midst of 40 days of prayer on our campus where we are not stopping with that question in our minds - We will pray on. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
