Welcome

"I do not wish to treat friendships daintily, but with the roughest courage. When they are real, they are not glass threads or frost-work, but the solidest things we know," said Ralph Waldo Emerson. How true this is. Real friendships are not flimsy and fragile; they are sturdy and solid like a rock. Perhaps you're looking for true friendship today. Here's one guarantee: You'll find no better Friend than the solid Rock of Ages. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
