Welcome

Hot on the political and social topics this week is the question of the Syrian refugees. Whether states allow them or not, we, here in Colorado, are accepting them. Was that the right decision? What about the other states who have declared their doors are closed, are they wrong? Jesus' words to us, "love your neighbor as yourself, give us a different responsibility than everyone else. But did you know that Jesus saw two types of people? Neighbors and another group, a group that He, Jesus, changes the commandment for. Today is our last teaching on the purpose and importance of the church... and today we are talking about that other group. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
